Help for the Fire Victims

The five local Rotary clubs will use established relationships with county schools to identify children and families most in need of assistance. Highest priority will be given to those children and families that lost their homes and belongings and did not have insurance. Funds will be used to purchase cookware and similar items from local stores to promote economic activity in the area while helping those in need get back on their feet.

Others left their homes suddenly without taking their medications. We will be working with the Mountain Hope Good Shepard Medical Clinic to assist with replacing medications for people who are displaced by the fire.

Rotarians are donating their time to ensure that 100% of funds treated raised in this effort will be used to help the people were directly impacted by the fires.

Please help. Your tax-deductible contribution can be made here:
